

At Waltham Leas, ensuring that our children can read fluently and develop a love of reading is a top priority.

We are lucky that we have many fantastic books in school - those we read as a class and those to take home and share. We are always looking for new and exciting texts to add to our class and Bookflix collections and have a wish list of books for each year group that we buy whenever we can.

We would like to share the year group wish lists with you all as we thought that you may wish to buy your child's class a book as a gift for them to enjoy. The lists are through Amazon and, if purchased, would come straight to school. We will pop a note in each one to say 'Kindly donated by a Waltham Leas parent'.

If this is something you would like to do, please follow the link below for your child's current year group and then choose a book for us. The booklists will stay on Amazon indefinitely and we will add further titles when they are published.

Thank you :)
